

# Cheesy Summer Squash and Bell Pepper Bake

## Ingredients:

2-3 summer squash

2 bell peppers

2 tablespoons butter

1 1/2 to 2 lbs. tomatoes

1 onion

1 jalapeno

salt and pepper

1/2 lb. grated cheddar cheese

1. Pre-heat oven to 350. Quarter summer squash and slice into thin pieces, about 1/4 to 1/2 inch thick. Slice bell peppers thin and dice into bite-sized pieces. Put summer squash and bell peppers in a 9x13 baking dish and sprinkle with salt and pepper. Cut butter into small pieces and lay on top. Cover with foil or a cookie sheet and bake for 30 minutes.
2. Meanwhile, quarter tomatoes and place in food processor along with peeled and quartered onion, quartered jalapeno and 1/2 teaspoon salt. Pulse until diced small but not purred.
3. Take dish out of the oven, spread tomato/onion/jalapeno mix over top. Top with grated cheese. Return to oven, uncovered, for 20 minutes.
